

TEACHER GUIDE

Your guide to the caves, lighthouses and high ropes activities in the Margaret River Region

Educational outdoor activities for kids that invoke wonder and respect for our amazing natural landscape.

**YOUR
MARGARET
RIVER
REGION**

Our Mission

To provide educational outdoor activities for students which invoke wonder and respect for the history and amazing natural landscapes of the Southwest region.

What We Do

At our four caves, two lighthouses and treetop high ropes course, we provide opportunities for students to learn outside of the traditional classroom environment. Our curriculum based programs cover science, European and Aboriginal history and culture, geography and outdoor education. We can cater for all age groups and abilities.

Cave Science and History Tours

Watch chemistry in action as you venture with our knowledgeable and experienced guides into the showcaves of the beautiful southwest. Marvel at 5 tonne suspended formations; learn about the limestone geology and the cave adapted fauna that dwell deep in this unique environment. Hear the stories of the first Europeans to venture underground.

Available at: Ngilgi, Mammoth, Lake and Jewel Cave

Duration: Allow 1.5 hours

Price: From \$10 per student; vary at different sites
1 teacher free per 10 students

Megafauna Workshop

Based at Lake and Mammoth Cave, the Megafauna Workshop will introduce students to Australia's prehistoric giant animals. Through the use of actual fossil casts, extant marsupial skulls and life-size replicas, students are transported back 50,000 years before present and introduced to such amazing animals as the marsupial lion 'Thylacoleo', and the enormous 'Zygomaturus'. They will meet three megafauna species unknown to science until being discovered in Mammoth Cave! Students can participate in a 'bone dig' at the Lake Cave theatriette and learn about the process involved in conducting a palaeontological dig. Last but not least, the experience culminates in a private guided tour of Mammoth Cave, the 'time capsule' that preserved more than ten thousand fossil remains of these ancient animals.

Available at: Lake and Mammoth Cave

Duration: Allow 2 hours

Price: Adults \$18 / Students \$16
1 Teacher Free per 10 students

Ancient Riverbed Adventure Tour

This off track adventure tour designed to take inexperienced cavers off the boardwalks and into the hidden areas of the cave. This tour winds its way into the red sandy soils of the ancient riverbed. On the tour, guides explain how the cave formed and why it is one of the most amazing natural wonders in the world. Our adventure tours won Western Australian Tourism Awards and can be tailored in difficulty to suit students from Yr 6 upwards.

Available at: Ngilgi Cave

Duration: allow 2 hours

Price: Adults \$35 / Students \$27.50
1 Teacher Free per 10 students

Megafauna Nightstalk

As the sun sets in the karri trees, visit giant replicas of the extinct megafauna species, and learn from our guides about the life and death of these supersized animals. Then head into the cave on a private tour to discover how fossils from 38 species were uncovered here in the early 1900's. Finish with a night walk through the towering trees, lit only by your torch. Who knows what you'll see!

Available at: Mammoth Cave

Duration: allow 1.5 hours

Price: Adults \$25 / Students \$12.50
minimum booking 30, 1 teacher free per 10 students

Explorer Tour

Designed to take students that little bit further, the Explorer Tour offers a new challenge for older or more able participants. Encompassing all the highlights of the Ancient Riverbank, this tour is a real 'squeeze'. Safety is our priority, and our certified guides will deliver your students back to the boardwalks after an unforgettable experience.

Lighthouse Education Programs

*(All prices subject to change; GST inclusive)

Shipwrecks and Settlers Program

As the Swan River Colony spread south, the calm waters of Geographe Bay became an important trading post for local industries. Built in 1903, this fully operational lighthouse has stood guard over the cape for the past century. Students step back in time learning about the first inhabitants, colonial settlement and the lives of the lighthouse keepers and families in this once isolated outpost. Program includes a guided tour of the lighthouse and a presentation in our classroom.

Available at: Cape Naturaliste Lighthouse

Duration: 60 minutes; dependent on group size

Prices: Adults \$12.50, students \$8
1 teacher free per 10 students

Keepers and Heritage Program

Spend some time with one of our expert guides at the Cape Leeuwin Lighthouse where students are entertained and intrigued by the stories of the spectacular and harsh environment experienced by the first Europeans to sight, shipwreck and settle in this unique landscape. Enjoy a private tour of the lighthouse and gaze out to the meeting point of two great oceans: the Indian and Southern. Wander through the new Interpretive centre, housed in one of the original lighthouse keepers' cottages. Learn about the history and lives of the numerous lighthouse keepers who were guardians of this rugged coastline. Using artefacts and stories, interactive technology and a large-scale animated film, visitors can discover fascinating insights into the lives of the men, women and children who once lived at the tallest lighthouse on mainland Australia.

Available at: Cape Leeuwin Lighthouse

Duration: allow 1.5 hours

Price: Adults \$17, students \$10.00
